

CRPP-UW64

CUSTOM OEM UPGRADE

Universal 4 ohm woofer

The Cruise series brings you the DLS natural sound engineered for integration. Easy to install and the perfect upgrade from your OEM system.

- Natural and musical sounding component driver
- Accurate & durable 6.5" glass fibre laminated woofer
- Santoprene® rubber dust cap, minimizing cone breakup and resonances
- Nomex® / Santoprene® moving components for low distortion
- Woven tinsel leads avoids high excursion noise
- Non-magnetic Kapton® / copper wire voice coil
- Optimized high grade ferrite magnet
- Dual ventilation solution with increased heat transfer
- Anti-resonating reinforced steel euro basket
- Twin terminal for easier installation
- PRY tool and multiple accessories included

Universal 4 ohm woofer

COMPATIBLE CAR MODELS

The Cruise universal speakers are meticulously crafted to cater to a wide range of car models that lack a defined and confined door frame for the OEM speakers. For a hassle-free installation experience, it is recommended to pair the universal speakers with an appropriate speaker adapter of your preference. Kindly visit our website to explore further information about the Cruise series and to discover the product that befits your vehicle model.
