

FLATSUB 8.2

HOME IS THE SWEETEST SPOT

Minimalist subwoofer

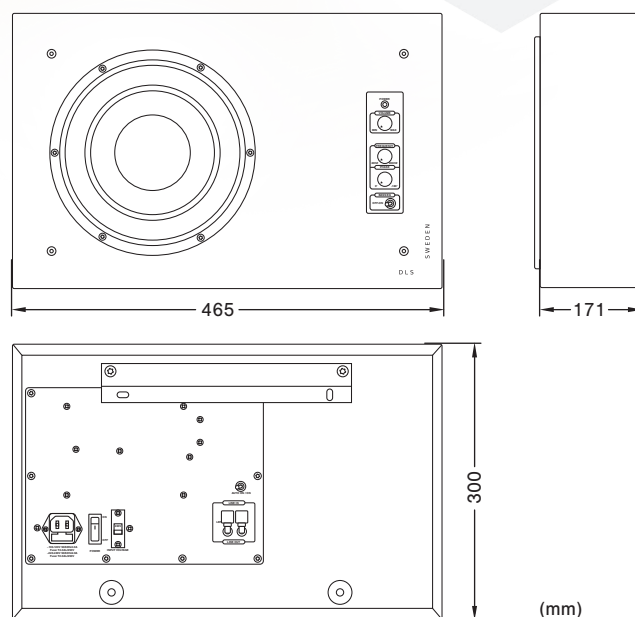

The subwoofer that disappears into your living space. Slim, elegant, and powerful – challenging traditional design.

- Front-facing 8-inch subwoofer driver and 250W Class D-amplifier in an optimized sealed design delivering powerful, deep and accurate bass.
- Available in matte white or satin black, and delivered with both white and black front covers.
- Slim, wall mounted speaker with a minimalist design and impressive sound that easily blends into your living space without being obtrusive. Light and dark front covers included to tailor the speaker for your home.
- Install on the wall with the included adjustable wall bracket for both horizontal and vertical installation, or slide it under furniture for hidden bass.
- RCA Inputs and Outputs for linking multiple subwoofers, and included 90°-angled RCA-adapters. Auto-start and adjustable LPF & Phase to perfectly tune the subwoofer.
